Simpler Processes, Less Stress, Better Results

WIS Pharm and Irvine Scientific cordially invite you to participate in a seminar that will focus on best practices that can help minimize stress on your embryos and laboratory staff while cultivating a stable environment inside and outside the incubator. This session will offer proven practical perspectives on ways to simplify your laboratory processes and ultimately improve outcomes.

Speakers:

Carli Chapman, BS, TS, ELD (ABB), Laboratory Director | Reproductive Medicine Institute, Chicago, IL, USA
Necati Findikli, Ph.D., Scientific Director | Bahceci Group, Istanbul, Turkey
